### The New York Times Dining Review

S.G.D., as this attractive restaurant is familiarly known, is more than just a tofu house, although it is that, too. The place is one in a small chain, with other locations in Palisades Park, N.J., and on St. Marks Place in Manhattan. The small dining room is matched by a compact menu that spins variations on three basic entrees: soondubu jjigae, a soupy soft tofu stew; bibimbap, sauteed vegetables and meat over rice; and barbecue.....
